The Honourable James E. Lockyer, Q.C.
Minister of Justice
Province of New Brunswick

Dear Minister:

I have the honour to submit the Fifty-Fourth Report of the Superintendent of Insurance for the insurance companies' business year 1990 and for the Superintendent's fiscal year ending March 31, 1991.

Total premiums, for all classes of insurance, paid by policyholders in the business year 1990 were $923,171,024, an increase of approximately 6% over the previous year. Total claims and dividends paid were approximately $545,111,426, an increase of 6%. Other Than Life business overall loss ratios increased from 56% in 1989 to 84% in 1990, and the details are highlighted herein. This is a significant increase in claim payouts, most notably in general liability insurance which increased from 54% to 72% in 1990, auto from 85% to 99% and a reduction in fire insurance (both personal and commercial lines) from 84% to 60%. Over the past three years, consumers have enjoyed a "soft pricing" trend in general liability lines and unless risks are adequately underwritten, the industry will lead us into the catastrophic tight market we had in the early 80's. Underwriting trends of the past five years are being closely monitored by the industry to establish better stability in pricing and market adequacy.

The Fire Marshal's Tax, levied on all fire premiums collected by insurers during 1990-1991, exceeded $968,000. The tax rate is 1% of premiums and is collected on behalf of the Department of Municipal Affairs. The expenses of the Automobile Insurance Rate Filing section of the Board of Commissioners of Public Utilities are collected on behalf of the Department of Transportation. The expenses collected from insurers, based on a pro-rata charge of automobile insurance premiums, were $212,553, an increase of approximately 18% over last year.

The Insurance Branch collects its own expenses by way of a pro-rata assessment on the industry based upon premium income and the 1990-1991 amount totalled $348,376, an increase of approximately 9% in expenses.

Premium taxes are collected on the basis of 2% of premium income for life companies and 3% of premiums of other than life companies. The amount received for 1990-1991 was $15,246,675, a 1% increase over the prior year.

Licence and examination revenues from intermediaries (agents/brokers/adjusters/appraisers) totalled $148,027.

There were 310 insurance companies licensed during 1990. The mix is as follows:

LICENSED INSURERS	**1990**	**1989**
Provincial Mutuals	4	4
Life	117	112
Other than Life	176	175
Fraternal	10	11
Reciprocal	2	3
Miscellaneous	1	2
	310	307

Le ler août 1991

L'honorable James E. Lockyer, c.r.
Ministre de la justice
Province du Nouveau-Brunswick

Monsieur le Ministre,

J'ai l'honneur de vous présenter le cinquante-quatrième rapport du surintendant des assurances pour l'exercice 1990 des compagnies d'assurance et pour l'année financière du surintendant terminée le 31 mars 1991.

Pour toutes les catégories d'assurances, les assurés ont versé 923 171 024 $ en primes pendant l'exercice 1990, ce qui constitue une augmentation de quelque 6 p. 100 par rapport à l'exercice précédent. Les décaissements pour sinistres et participation ont atteint environ 545 111 426 $, soit une augmentation de 6 p. 100. Quant aux ratios sinistres / primes pour les compagnies d'assurance autres que celles offrant de l'assurance-vie, ils sont passés de 56 p. 100, en 1989, à 84 p. 100 en 1990; ces ratios sont d'ailleurs analysés en détail dans le présent rapport. Il s'agit d'une augmentation considérable, les ratios sinistres / primes de l'assurance responsabilité civile étant passés de 54 p. 100. en 1989, à 72 p. 100, en 1990; ceux de l'assurance automobile, de 85 p. 100 à 99 p. 100; ceux de l'assurance incendie (des particuliers et des entreprises), de 84 p. 100 à 60 p. 100. Au cours des trois dernières années, les consommateurs ont bénéficié de prix relativement peu élevés dans le domaine de l'assurance responsabilité civile et, à moins que l'on assure suffisamment les risques, l'industrie nous conduira vers un marché beaucoup trop restreint comme celui du début des années 80. L'industrie surveille de près les tendances des cinq dernières années pour assurer une meilleure stabilité des prix et du marché.

La taxe du prévôt des incendies, prélevée à même les primes d'assurance incendie perçues par les assureurs, a excédé 968 000 $. Le taux d'imposition correspond à 1 p. 100 des primes, et la perception est faite au nom du ministère des Affaires municipales. Quant aux dépenses de la section de tarification de l'assurance automobile de la Commission des entreprises de service public, elles sont recouvrées au nom du ministère des Transports. Les sommes recouvrés des assureurs, lesquelles sont proportionnelles aux primes d'assurance automobile qui leur ont été versées, se sont chiffrées à 212 553 $, ce qui représente une augmentation d'environ 18 p. 100 par rapport à l'année précédente.

La Direction des assurances recouvre elle-même ses dépenses en imposant aux assureurs des cotisations proportionnelles à leurs revenus-primes. En 1990-1991, ces cotisations se sont élevées à 348 376 $, ce qui constitue une augmentation d'environ 9 p. 100 au titre des dépenses.

La taxe sur les primes équivaut à 2 p. 100 du montant des primes payées aux compagnies d'assurance vie et à 3 p. 100 des primes versées aux autres compagnies d'assurance. En 1990-1991, les sommes provenant de cette taxe se sont chiffrés à 15 246 675 $, soit une augmentation de 1 p. 100 par rapport à l'exercice précédent.

Les recettes provenant des licences et des examens des intermédiaires (agents, courtiers, experts, estimateurs) ont atteint 148 027 $.

En 1990, 310 compagnies d'assurance ont obtenu une licence:

ASSUREURS AUTORISÉS	**1990**	**1989**
Compagnies mutuelles provinciales	4	4
Compagnies d'assurance vie	117	112
Autres compagnies d'assurance	176	175
Sociétés de secours mutuel	10	11
Compagnies d'assurance réciproque	2	3
Divers	1	2
	310	307

The intermediaries licensed during the year were as follows:

LICENSE TYPE	1990-1991	1989-1990
Life Insurance Agents	1229	1375
Other Than Life Agents/Brokers	890	875
Non-Resident Brokers	130	70
Accident & Sickness	50	47
Travel	113	157
Special Insurance Brokers	3	4
Damage Appraisers	81	93
Adjusters	294	273
	2790	2894

In maintaining the Branch's goal of communications, enquiries from consumers and the industry remained steady during this past year with a noted increase directed towards auto insurance markets and accident and sickness insurance. Though ample auto markets are available, insurers have "tightened" their underwriting rules reducing the accessibility to a conventional market resulting in more risks being placed in the alternative market, the Facility Association (F.A.). The industry agrees to continue reviewing their underwriting guidelines in order to better define the "grey risks" and depopulate from the F.A. risks which should have access to the regular markets.

Promoting the sale of accident and sickness insurance products and services through credit card and mass merchandising programs remains very aggressive considering the number of plans submitted to our office for approval. We emphasize the need on complete disclosure in both official languages so an informed decision can be made by the consumer when considering these type of plans. We are pleased to report the industry remains very responsive to situations on which we require assistance or further consideration in resolving issues affecting consumers.

Recognizing the importance of continuing education and professional standards, the Branch worked closely with the life and other-than-life industry associations in developing and implementing new licensing examination material for agents and brokers in the Province. We are presently finalizing our review of a step-licensing program for intermediaries which we are targeting for implementation this fiscal year.

The Branch completed the scheduled audits of our provincially based insurers for the fiscal year and any deficiencies, which were mostly administrative, were corrected. Working with our home-grown organizations, considerable time was given on status of capitalization, expansion of powers and classes of insurance and study on net retentions for our Fire Mutuals. Solvency of operations is paramount when considering expansion into new markets and a comprehensive study of compensation plans and guarantee funds for protection of consumers in the event of an insolvency was also completed.

The *Insurance Act* requires a major reform and, working with other jurisdictions through the Canadian Council of Insurance Regulators, a comprehensive review of the *Act* will commence this year to update legislation within the concept of uniformity and the advancement of proposed legislation to meet the needs of our New Brunswick based companies. Also, reform to other provincial legislation where they impact on the *Insurance Act* have been reviewed in this past year.

We continue to work closely with our New Brunswick based insurers in addressing their competitiveness within the financial sector on networking of products and services which contributes effectively to the economy of the Province.

Respectfully submitted,

R. W. Richard
Superintendent of Insurance

Les professionnels de l'assurance ayant obtenu leur licence cette année se répartissent comme suit:

GENRE DE LICENCE	1990-1991	1989-1990
Agents d'assurance vie	1229	1375
Agents d'assurance autre que l'assurance vie	890	875
Courtiers (non résidents)	130	70
Agents d'assurance accidents et maladie	50	47
Agents d'assurance voyage	113	157
Courtiers spéciaux d'assurance	3	4
Estimateurs de dommages	81	93
Experts en sinistres	294	273
	2790	2894

La Direction a poursuivi sa politique d'ouverture face aux consommateurs et aux intervenants du secteur, dont la demande de renseignements s'est maintenue au cours de l'année. On a cependant noté une augmentation du nombre de demandes relatives à l'assurance automobile et à l'assurance accidents et maladie. Même si les possibilités du marché de l'assurance automobile sont nombreuses, les assureurs ont adopté des règles plus rigides réduisant ainsi l'accessibilité au marché ordinaire. Cela s'est traduit par plus de risques pour l'autre marché, soit la Facilité Association. Les intervenants du secteur s'entendent pour continuer l'examen de leurs lignes directrices dans le but mieux définir les risques flous et de remettre sur les marchés ordinaires les risques qui devraient s'y trouver.

Les activités de promotion de la vente de produits et de services d'assurance accidents et maladie au moyen de cartes de crédit et du publipostage demeurent très intenses compte tenu du nombre de régimes soumis à notre approbation. Nous insistons sur le besoin de fournir des renseignements clairs et précis dans les deux langues officielles afin de mieux renseigner les consommateurs sur les régimes qui leur sont offerts. D'autre part, les assureurs se montrent très coopératifs lorsque nous leur demandons de nous aider ou d'étudier certains cas plus en détail.

Reconnaissant l'importance de la formation continue et des critères professionnels, la Direction a collaboré étroitement avec les associations d'assureurs vie et d'autres types d'assureurs en vue d'élaborer de nouveaux examens d'agrément des agents et des courtiers de la province. Nous aurons bientôt terminé notre étude du programme d'accréditation par étapes des intermédiaires. Nous comptons d'ailleurs mettre ce programme en oeuvre au cours du présent exercice.

La Direction des assurances a effectué la vérification des dossiers de nos assureurs provinciaux pour l'exercice et tous les problèmes, pour la plupart d'ordre administratif, ont été réglés. De concert avec nos organismes locaux, nous avons consacré un temps considérable à l'étude de la situation de la capitalisation, de l'expansion des pouvoirs, des catégories d'assurance et des rétentions nettes pour nos mutuelles d'assurance incendie. En effet, la solvabilité d'une compagnie est impérative lorsque l'on considère l'expansion vers de nouveaux marchés. Par ailleurs, nous avons également terminé une étude approfondie des régimes d'indemnisation et des fonds de garantie visant à protéger les consommateurs en cas de faillite d'une compagnie d'assurance.

Une réforme importante de la *Loi sur les assurances*. Par conséquent, nous entreprendrons cette annés une révision complète de la *Loi* en collaboration avec d'autres provinces, et ce, par l'entremise du Conseil canadien des responsables de la réglementation d'assurance. Nous désirons mettre à jour et uniformiser notre législation afin de mieux répondre aux besoins des assureurs néo-brunswickois. Au cours de la dernière année, nous avons aussi étudié les répercussions sur la *Loi sur les assurances* d'autres réformes législatives dans la province.

Nous continuons de travailler en étroite collaboration avec les assureurs néo-brunswickois afin de les aider à être plus concurrentiels dans le secteur financier, notamment au chapitre du décloisonnement des produits et des services, qui contribue à l'économie de la province.

Veuillez agréer, Monsieur le Ministre, l'expression de ma haute considération.

Le surintendant des assurances,

R. W. Richard
